In August, 2017, North Bay Haven Elementary School joined the MS and HS and moved into the 1 Buccaneer Drive campus with full enrollment of 6 classes in grades K-5 and a Pre-K program that accepts children ages' 3-5. Currently NBHCA has an enrollment of just under 2,100 students with large waiting lists at all grade levels.

All BHCA, Inc. schools have received high rankings from the Florida Department of Education since opening.

VISION

High Expectations / High Achievement

MISSION

As a community school of “choice” for teachers, parents & students, our mission is to strive together to teach beyond the standards in order to meet each child’s needs through motivating students to reach their unique potential.

AFFILIATIONS

Message from your CEO- Mr. Larry Bolinger

Welcome to the Haven Family! Below is a bit about us:

Currently, we have two elementary schools, two middle schools and one high school serving over 3000 students in Bay County. All of our charter schools are public schools, receiving FTE funding. Parents or legal guardians can make application for their child(ren) to attend. If the number of applicants exceeds the number of spaces available, then we are compelled to hold a public lottery, which is audited by Carr, Riggs, Ingram and Associates. The lottery is computer generated, unbiased, completely transparent and available for public review. With this system, there is no possibility of "behind the scenes" preferential selection or rejection of any student.

We accept all Bay County students, regardless of race, religion, ethnicity or special education status (unless they are designated for a center school). There is no academic requirement for entry. We accept students of all performance levels and take them from where they are and elevate them to their highest potential academically, morally, ethically and socially. We are truly a "High Expectations/High Achievement" school system, where there is no "dumbing down" of our curriculum or our expectations of student conduct. We believe competition drives higher levels of creativity and performance in education, just as it does in business. Students honestly earn what they receive. At our high school graduation, we continue to honor the valedictorian, salutatorian and "Top Ten" for academic performance.

We are compelled by state law to teach the Florida Standards and participate in the FSA (Florida Standards Assessments). However, we teach beyond the standards and firmly believe in setting expectations for our learners based upon a powerful work ethic. Our curriculum demands rigor and a process/product-based approach as demonstrated in our participation and success in competitions such as Science Fair, History Fair and Math Counts. For the last fifteen years, the "Haven" schools have consistently ranked in the top 10% of all traditional and charter public schools in the State of Florida. We have the highest FCAT and EOC (End of Course) examination scores in Bay County every year in virtually every subject at every grade level.

BHCA, INC. is an organization of conservative values with the knowledge that not all students go to or need to go to college. Many move toward careers that better suit their life goals. However, our high school college preparatory program called SAIL (Studies in Advanced and Innovative Learning) is rich in Advanced Placement and Dual Enrollment courses. Our equally rigorous middle school program is called Pre-SAIL. Both programs are complemented with an advanced, beyond the standards K-5 curriculum.

Please go to www.bayhaven.org for more information on our mission and our schools.

Respectfully,

Larry R. Bolinger

A Message From Your Principal

Welcome to North Bay Haven Charter Academy, one of the best schools in not only Bay County but in the state of Florida. Our exemplary faculty and staff along with our parent(s)/guardian(s) and students have helped our school become an outstanding school. This has been evidenced by our student successes in activities, competitions and on various forms of FSA assessments! Our students rose to the challenge set before them of High Expectations/ High Achievement. This year, we expect to continue our quest for even greater accomplishments!

There is a reason why we are successful and it is quite simple actually. We have high expectations of everyone- students- staff members and our parents. We work extremely hard and reap the benefits. Along with this hard work is another important factor; we are never content, but rather, seeking to improve daily. We will work feverishly to ensure your child attends the school with the best and most up to date technologies and the best innovative and research based curriculum. We will be preparing your child to be able to perform at a high level.

Families are also an essential part to the success of North Bay Haven Charter Academy. Parent involvement is a key component to any child's academic, social and emotional success. At North Bay Haven Charter Academy, it is a fundamental component for each child's well-being. Our top caliber faculty and staff have been chosen because they share in the belief of raising and educating children to their highest potential. Together we can achieve these goals. Although you may not agree with everything we do, we need your support. Without it we can't be successful.

North Bay Haven Charter Academy will strive to have even more success than we have had in previous years. To that end, the faculty and staff will work in partnership with students and parent(s)/guardian(s) to help every student reach their highest potential. Challenge is important for all children, but not to be made so difficult that they feel lost or so easy they become bored. We will work with the parent(s)/guardian(s) to attain a balance for each child. Parent/Teacher conferences will be held during the year. Progress reports and report cards which detail student achievement are made available to parent(s)/guardian(s) online.

The twenty hours of required volunteer time can be reached by helping with the lunchroom, classroom, playground, field trips and fundraisers. The time spent as a classroom volunteer is especially appreciated. We encourage parent(s)/guardian(s) to become meaningfully involved in volunteering at North Bay Haven Charter Academy. Your involvement is extremely important. You will only take advantage of this school with the amount of involvement you put into it. We need you!

Communication is a key element in the success of our school. Be sure to check your child's planner every night, review teachers' websites, CANVAS information, and our school website frequently and finally, read all communication sent home. Reading the weekly email blasts and daily student announcements sent to parent(s)/guardian(s) from the school is the best way to stay informed about school events and information. Also, pay attention to our website calendar as it always has important dates and these are updated weekly. Finally, when in doubt, please email me anytime as I read emails regularly and expect an answer within 24 hours.

Thank you for sharing your children with our family of faculty and staff at North Bay Haven Charter Academy. I am looking forward to a great year!

Bell Schedule

Zero Period	7:05-8:00
First Period	8:05-9:45
Second Period	9:50-11:25
Lunch	11:25-11:55
Third Period	12:00-1:35
Fourth Period	1:40-3:15

Attendance

Students must be in attendance ninety percent of our school days or they may be considered for retention. Students may be checked out, but no earlier than 15 minutes before the scheduled end of the school day unless the checkout is due to a verifiable illness or a doctor/dentist appointment. Students demonstrate personal responsibility by being in class on time and meeting deadlines when turning in their work. Accountability is developmental and increases dramatically as students' progress through North Bay Haven. Parent(s)/guardian(s) are expected to check assignments on line, communicate through planners, have conferences with teachers, visit and assist in classes and become involved outside of regular school time. Students must be in attendance 160 out of 180 days or they may be considered for retention.

Arrival at school

Teaching and learning begins at 8:05 for high school students. Students need to learn the importance of regular school attendance. In addition, it is important that students report to school on time. There is no supervision before 7:00 a.m. for students. Students arriving before 8:05 a.m. are expected to report directly to the main cafeteria area.

Student dismissal/pick up

Students must leave the school grounds immediately after dismissal unless enrolled in the Aftercare program or extracurricular activities. Parent(s)/guardian(s) MUST wait for their children outside the school. Students are not expected to hang out after school. NBHE and MS students will be taken to aftercare 25 minutes after their dismissal. High school students are not allowed to watch their NBHE/MS siblings at car pick up at the end of the day.

Pick-up plans should be finalized before the student comes to school. However, should an emergency arise and the parent has to phone to leave a message for a student regarding pick up, the parent must do so before 1:45 p.m. If a parent calls after this time we cannot guarantee that the student will receive the message.

Before releasing a student from school, the principal or his/her designee shall establish the identity and authority of any individual who seeks the release of a student from school. A student shall be released only to the parent(s)/guardian(s) or other person(s) authorized by the parent(s)/guardian(s) on the student's Emergency Information Form. Should a person other than one authorized by the parent(s)/guardian(s) request the release of a student, the principal or his/her designee shall first obtain verbal consent of the parent(s)/guardian(s) before releasing the student. In the event that a dispute arises between parent(s)/guardian(s) regarding who is authorized to pick up a student from school, the student shall be released only to the parent(s)/guardian(s) registering the student for school. Parent(s)/guardian(s) shall fill out and return to the school a new Emergency Information Form at the beginning of each school year. At the discretion

of the principal, the parent(s)/guardian(s) may be asked to physically sign the student out. Parent(s)/guardian(s) or other persons authorized by the parent(s)/guardian(s) to pick up a child must have a picture ID to prove they have authority to remove the student from campus.

To avoid having the school become involved in personal family conflicts, parent(s)/guardian(s) should submit to school authorities' copies of any legal documents which indicate who has legal access to the child and his/her records during school hours. In the absence of legal documentation school officials will provide access only to those individuals whose names appear on the student data card. Friends and strangers will be denied access to a student in the absence of verified parental consent. Even if we know you are a parent/guardian, but you do not have court specified rights to pick a child up at a time different from that specified, we will need to secure permission prior to release.

All parent(s)/guardian(s) must remain outside the school buildings prior to dismissal time. A pick-up and drop-off traffic plan is included with this handbook. Please follow it to ensure the safety of students. For all others, teachers will bring the students to the designated pick-up area or for bus transportation. Please do not block in the driveway or access areas.

Absences

Anytime a student returns to school after an absence, a note must be brought from home. Documentation for excused absences must be filed with the main office within three (3) days of the absence or the absence is unexcused. If a student is going to be absent, please call the school office by 3pm to confirm absence for that day. It is the responsibility of the parent(s)/guardian(s) to determine the reason for each absence that has not been pre-approved. Parent(s)/guardian(s) shall be required to justify the student's absence. Justification will be evaluated based on the policy as stated below regarding excused or unexcused absences. The final decision for approval will rest with the school principal. Acceptable excuses for students' absences are as follows:

- Illness (physician's note required after 3 consecutive days of student absence)
- A death in the family
- A dental or doctor appointment (statement from doctor's office required)
- A court appearance
- A school-sponsored event or activity that has been previously approved
- A religious holiday. A student may be released from school in order to participate in a religious observance upon written request of his/her parent/guardian.

Unexcused absences are those absences that are not justified, according to the rules of this policy, by the parent/guardian. In addition, truancy, out of

school suspension, expulsion and/or skipping are considered unexcused absences.

Please stay home when sick: Those with any fever or flu-like illness should stay home for at least 24 hours after they no longer have a fever, or signs of a fever, without the use of fever-reducing medicines. Students should stay home even if they are using medication.

Hand hygiene and respiratory etiquette: Stay home when sick, wash hands frequently with soap and water when possible, and cover noses and mouths with a tissue when coughing or sneezing (or a shirt sleeve or elbow if no tissue is available).

Tardy policy

Classroom doors will close at 8:05 a.m. Students arriving after this time will be considered tardy. Students sometimes arrive late. Please be responsible – please be on time each student is responsible for regular and punctual class attendance. Students who leave more than 15 minutes before a class is over will be given a Late Absence. The school office will determine if the period of absence is excused or unexcused. A designated school representative will investigate chronic tardiness and late absences. Five tardies will equal 1 unexcused absence. Parent(s)/guardian(s) will be required to attend a Child Study Team conference if a student is chronically tardy.

Early Dismissal

Any student leaving school prior to dismissal will have an early dismissal logged to his/her record. Any time a child has 3 unexcused early dismissals in one month, the parent(s)/guardian(s) will be sent a note reminding them of the academic mission of North Bay Haven and request communication. Excused early dismissals are given for doctor's appointments with notes from the doctor and for extreme emergencies.

After 5 unexcused early dismissals in a grading period, a letter will be sent requiring a conference to explain the seriousness of the matter and go over the potential consequences of another early dismissal per attendance policy.

Early dismissal from a field trip is only permitted in emergency situations and with prior written consent from school administration.

Skipping class

One or more of the following criteria defines skipping class:

1. Failure to check out when leaving school before the end of the official school day.

2. Absent from class without parent(s)/guardian(s) knowledge and/or permission.
3. Absent from class without teacher knowledge and/or permission.

Family Leave

Although the school does not support students missing school for vacation purposes, any student missing school for vacation must notify the administration in advance. Notification must be made in writing at least two weeks in advance using the "BHCA Family Leave Form" so teachers can have the appropriate work ready for each student. This will be considered part of our Family Leave Policy days per school year with a maximum of 5. If your child is receiving a "D" or "F" in a class, the administration strongly suggests you NOT take leave. The principal has the authority to disapprove leave requests. Denial of family leave will be considered an unexcused absence. Students with a 2.0 or lower G.P.A. in core subjects are encouraged not to miss school.

Make-Up Work: Excused Absences

Students are expected to make up all work missed during excused absences. The student must contact the teacher on the first day back in school in order to make arrangements to make up the work. Missed classwork and homework is to be made up on a 1:1 ratio. If the student is absent one day, he/she has one day to make up homework or classwork. If the student is absent two days, he/she has two days to make up the missed classwork or homework, and so on. The teacher and/or the principal may grant additional time for making up work if warranted by the individual situation. Teachers have the prerogative to require a student on school or administrative leave to complete work assigned in advance of the leave. After 3 consecutive days of being absent, a doctor's excuse is required for the days after or those days will be considered unexcused absences.

Make-Up Work: Unexcused Absences

Students are responsible for making up all work missed, including tests and exams, during an unexcused absence. All work must be completed and returned to the classroom teacher with the same ratio (1:1) guidelines as stated previously. Students will receive a grade of no higher than 60% on all work made up during an unexcused absence. All passing grades will be recorded as a 60%. All earned grades below a 60% will remain as the earned grade.

Make-Up Work: OSS

If the unexcused absence is due to a suspension, the student must email the teacher or check the teacher websites to obtain assignments to complete while suspended. Parent(s)/guardian(s) of students suspended are responsible for contacting the school

to obtain any additional work needed. All work must be turned in on the day the student returns to school. Students will receive a grade of no higher than 60% on all work made up during an out of school suspension. All passing grades will be recorded as a 60%. All earned grades below a 60% will remain as the earned grade.

A Child Study Team will be held for students with excessive absences or tardies. Parent(s)/guardian(s) must attend this conference.

Check Writing: Your check is welcome at North Bay Haven. For fees less than \$20.00 payment must be in cash. **Fees that costs over \$20.00, the parents may pay by check or online system.**

However the person writing the check agrees that by policy, upon the return of any check a fee of \$20.00 is assessed. Parents that write checks with NSF (non-sufficient funds) will have 24 hours to reconcile the check in cash or by money order. Any parent with a history of NSF will be required to pay in cash or money order for all future payments.

Eating etiquette is valued and will be taught to all children. High students will clean lunch tables after lunch.

Committees and BHCA, Inc. Board of Directors

BHCA, Inc. Board Members

The BHCA, Inc. Board of Directors is the governing Board for all five BHCA charter schools. Go to our website at www.bayhaven.org for a current list of BHCA, Inc. Board members, meeting dates, minutes, procedures, and information on becoming a Board member.

Foundation

The Bay Haven Foundation was formed as an educational support organization. Its purpose is to solicit tax- deductible contributions for the initial building and subsequent capital outlay projects for the new North Bay Haven Charter Academy campus. The Foundation will also support students and teachers in the quest to advance learning opportunities in the classroom through grants. For more information on how you can support the Foundation, please see the front office or visit their website at: <http://bhcafoundation.org/>

School Advisory Council (SAC):

School Advisory Council is designed to advise the Principal on issues related to the overall operation of the school.

Parent Teacher Student Partnership (PTSP)

A great portion of each child's day is spent at school; therefore, his/her growth and development becomes a joint responsibility between the home and school. Everyone is urged to become active in helping further the goals and growth of the PTSP.

The faculty, staff and administration hope that all parent(s)/guardian(s) will become active members supporting the school and the association. Officers will be elected yearly according to the school's by-laws and district/state guidelines. The PTSP will sponsor fundraisers throughout the school year. Monies generated by fundraising events will be used to purchase materials and equipment for the students, faculty, staff and general school purposes. PTSP board meetings are held regularly and are open to anyone who wishes to attend. All members are eligible to vote on issues brought before them for consideration during the general PTSP meetings.

Communication

Communication is absolutely essential for success in any human endeavor. The administration and staff recognize this and will strive to facilitate open and frequent communications with parent(s)/guardian(s) at all times. It is extremely important that any change of address, telephone numbers, email address or other vital communications information or pick-up authority must be completed by the legal parent/guardian in person in the front office. BY STATE LAW, two new proofs of address must be provided for changes of address. Also, an annual survey will be conducted and your participation is crucial so that the school can determine areas that are working well and areas that need improvement/attention.

Student performance can only be at its highest level when parents follow up, parents should check the FOCUS portal daily making sure your student gets work done. Students must complete all work on time and turn it in on time. Too many students

perform work “just to get it done!” They do not do it the best it can be done. Quality on-time on-task performance is crucial.

Progress Reports for middle/high school will be published on focus during the middle of each grading period (9 week period). Additionally, an additional progress report will be sent home for high school students earning a D or F in a course at the 2 ½ week point between progress reports and report cards. FOCUS, is our parent web portal for monitoring student grades, attendance, discipline, test scores, etc., is available for all parents. FOCUS is updated weekly. Directions on how to set up your FOCUS account will be sent home the first week of school.

Please feel free to consult with the office regarding any problems or questions that concern your child. It is the desire of the administrators and the faculty to be of service to both parent and student, and every teacher welcomes a conference with any parent. We do urge, however, that such visits be made by making an appointment with the teacher at a convenient time before or after-school hours. Parents are asked not to meet with a teacher before or after class unless a conference has been scheduled in advance. If there is a concern, it is NBHCA policy to have the parent speak to the teacher first and then the administration.

The school sends weekly communication to parents via email. These email blasts contain important information – be sure you read these and let the office know if you are not receiving these. Please make sure that you check your child’s backpack daily for notes from the teacher or from our staff. Information can also be found on our website at www.bayhaven.org.

Curriculum

"Staff and students are the heart of curriculum. The relationships between them are shaped by the answer to key questions about, assessment, content, learning interactions, and the connections between those elements." (Flinders University)

Key components of the power curriculum include a focus on building rigor, relevance, and relationships; an emphasis on core standards (wrapped in technology and interdisciplinary); and the Plus Model: Team Articulation. Each component is dependent on the other to develop, implement, and sustain a curriculum that prepares Students for the 21st Century. Here is an overview of the components:

Daggett's Rigor/Relevance Framework + Webb's Theoretical Model of Higher Order Thinking:

"Making Connections"

Core Standards: Math/Science/LA /SS: Wrapped in Technology and Interdisciplinary

"Making Connections"

DISCIPLINE PROCEDURE:

Discipline is the process of changing a student's behavior from inappropriate to exemplary. We are never satisfied with merely stopping poor behavior; we desire to teach the student to do what is right. We do not discipline a student out of anger or for sake of convenience, but with a loving desire to help the student to do what is right. Though few students desire discipline, they often need it in order to reach their full potential.

School/Classroom Expectations

Students are expected to follow the classroom rules established by the teacher and to abide by the Gold Standards of Excellence and the 25 Expectations for Student Behavior.

The Bay County School Board (BDS) passed and adopted a Code of Student Conduct that lists violations and disciplinary actions that must be taken in order to deal with misconduct. This includes the districts bullying policy. North Bay Haven will comply with the BDS Code of Conduct, but retains the right to elevate standards and expectations for behavior.

Each teacher will establish appropriate procedures for discipline in his/her classroom based on these guidelines. The following list is not all-inclusive.

1. Students are expected to respect the authority of teachers and all aides. All teachers have authority over all students, and not just those assigned to their class.
2. Malicious destruction of school property results in the replacement, repair or payment for damages by either the student or his/her parents. The placement of stickers or writing on school property is forbidden. Textbooks and computers/laptops/school issued iPads are considered school property.
3. Students shall help keep the school clean at all times.
4. There is to be no gum chewing in any of the school buildings or on the school grounds.
5. Items such as water pistols, matches, electronic devices, skateboards, toys, weapons of any sort, etc. are not permitted at school.
6. No notebooks, albums, magazines, lunchboxes, etc. will be permitted that carry pictures or slogans referring to the drug culture or alcohol. No profane, abusive or slang language is to be used or found on ipads.
7. Zero tolerance for aggression.

STUDENT DISMISSAL/PICK UP & SHUTTLE BUS:

Students must leave the school grounds immediately after dismissal unless enrolled in the aftercare program or continuing education. Parents MUST wait for their children outside the school. Students are not expected to hang out after school After Care services will be provided at the Bay Haven campus. After Care services are fee based:

\$45 for the first child and \$35 for siblings. If you require this service, please contact Kelly at phelak@bayhaven.org or 248-3500.

Pick-up plans should be finalized before the student comes to school. However, should an emergency arise and the parent has to phone to leave a message for a student regarding pick up, the parent must do so before 1:45 p.m. If a parent calls after this time we cannot guarantee that the student will receive the message.

Before releasing a student from school, the principal or his/her designee shall establish the identity and authority of any individual who seeks the release of a student from school. A student shall be released only to the parents or legal guardians or other person authorized by the parents or legal guardians on the student's Emergency Information Form. Should a person other than one authorized by the parents or legal guardians request the release of a student, the principal or his/her designee shall first obtain verbal consent of the parents or legal guardians before releasing the student. In the event that a dispute arises between parents regarding who is authorized to pick up a student from school, the student shall be released only to the parents or legal guardians registering the student for school. Parents or legal guardians shall fill out and return to the school a new Emergency Information Form at the beginning of each school year. At the discretion of the principal, the guardians may be asked to physically sign the student out. Parents/legal guardians or other persons authorized by the parents/legal guardians to pick up a child must have a picture ID to prove they have authority to remove the student from campus.

To avoid having the school become involved in personal family conflicts, parents or guardians should submit to school authorities copies of any legal documents which indicate who has legal access to the child and his/her records during school hours. In the absence of legal documentation school officials will provide access only to those individuals whose names appear on the student data card. Friends and strangers will be denied access to a student in the absence of verified parental consent. Even if we know you are a parent, but you do not have court specified rights to pick a child up at a time different from that specified, we will need to secure permission prior to release.

ALL PARENTS MUST REMAIN OUTSIDE THE SCHOOL BUILDINGS prior to dismissal time. A pick-up and drop-off traffic plan is included with this handbook. Please follow it to ensure the safety of students. For all others, teachers will bring the students to the designated pick-up area or for bus transportation. Please do not block the driveway or any access areas.

EARLY DISMISSAL:

Any student leaving school prior to dismissal will have an early dismissal logged to his/her record.

- Any time a child has 3 unexcused early dismissals in one month, the parents will be sent a note reminding them of the academic mission of NBHCA and requesting communication.
Excused early dismissals are given for doctor's appointments with notes from the doctor and for extreme emergencies.
After 5 unexcused early dismissals in a grading period:

- o A letter will be sent requiring a conference to explain the seriousness of the matter and go over the consequences of another early dismissal.
If another early dismissal occurs in the same grading period:

DRESS CODE:

THE NUMBER ONE UNIFORM VIOLATION IS NOT WEARING A SCHOOL POLO UNDER A PULL OVER OR SWEATSHIRT.

A higher standard of dress encourages greater respect for individuals, students and others, and results in a higher standard of behavior. Our dress code guidelines indicate appropriate school dress during normal school days. NBHCA reserves the right to interpret these guidelines and/or make changes during the school year. Students are expected to follow these guidelines. Every student in attendance shall wear the school uniform. Daily, teachers will have students recite the Pledge of Allegiance, offer a Moment of Silence followed by a Uniform Check. Uniform violations will be addressed according to policy (see next page).

Parents select to have their children attend North Bay Haven with full acknowledgement of the expectations and policies. Purchasing uniforms from NBHCA designated and approved vendors is a policy requirement. Parents may not purchase an article of clothing and have it embroidered with the North Bay Haven wheel logo This is a copyright infringement.

Dress Code for High School Dances

The dress code for each high school dance depends on the event. Please refer to the North Bay Haven website under (for students and dance code) for information on expectations dance codes.

Backpacks

Students are permitted to use a backpack during the school day. Students also have an opportunity to go to their lockers several times during the school day. In order to ensure a safe environment the administration reserves the right to limit backpacks and their use at school.

ELECTRONIC DEVICES:

NBH HS is a 1:1 technology school. Students in high school are expected to purchase and bring daily an approved I-Pad (11th and 12th grade only) or a Chromebook Touch. Students may not use any electronic devices, with the exception of calculators and laptops/iPads/Chromebooks approved by the school, during the school hours of 8:00 a.m. to 3:00 p.m. while under the supervision of faculty and/or staff. Students may not use said devices while engaged in any academic, club or athletic activity without permission of the faculty or staff member in charge.

Cellular Telephone Policy

Effective 8.01.09

Students shall not use any cellular telephones during the school hours of 8:00 a.m. to 3:00 p.m. or while on approved school trips (except for times when the students are in a theme park, on the bus or in the hotel or as otherwise allowed by the administration). Any student may bring a cellular telephone onto school property; however, cellular telephones shall be kept in the student's locker or in an area designated by school officials for the storage of cellular telephones during school hours. Cellular telephones must be kept in an "off" mode during school hours. Any student who chooses to bring a cellular telephone to school shall do so at his or her own risk.

School personnel shall not be responsible for damage, loss or theft of a student's cellular telephone while on school property.

Violations of this policy will result in confiscation of the cellular telephone by school officials. Any confiscated cellular telephone will only be returned to the violating student's parent or guardian at the end of the school day. Repeated violations of this policy may result in other disciplinary actions, including but not limited to After School Detention, or Out of School Suspension.

Students may not possess any other type of electronic device at any time. These items shall be subject to the rules of confiscation. The school shall not be responsible for any damage, theft or loss of any electronic device brought to the school property or at any school related function. The school shall not engage in any investigation for the return of lost or stolen items.

EMERGENCIES:

Illness: The importance of regular attendance cannot be over-emphasized, but students should not be sent to school when they are ill. If a student becomes ill during the school day, and it appears they would be best cared for at home, the parent will be contacted. There are very limited facilities in the school, making it impossible to keep sick students for long periods of time. School personnel must be notified of any student's chronic illness (i.e. asthma, diabetes, heart conditions or seizures). This heightens awareness in case of an emergency. School should also be notified if student is out more than three days.

Injury: The procedures listed below will be followed for an injured student:

1. Teachers will send the student to the office if the injury is minor.
2. Teachers will notify the office if the student is unable to be moved.
3. Trained personnel will administer first aid.
4. The parent(s) will be called and the injury described. For a minor injury the parent will make the decision about removing the student from the school. Emergency contact persons will be called if the parent cannot be reached.
5. The Emergency Rescue Squad will be called for critical injuries that require the type of care that school personnel cannot provide and the parent or emergency contact will be notified.
6. An accident report will be completed and filed for most accidents.

FAMILY RIGHTS AND PRIVACY ACT:

The revised Family Rights and Privacy Act became a Federal law in November 1974. The intent of this law is to protect the accuracy and privacy of student educational records. Without your prior consent, only you and authorized individuals having legitimate educational interests will have access to your child's educational records. In special instances, you may waive this right of access to allow other agencies working with your child to have access to those records. An employee of NBHCA will be present during the viewing of all records. Copy costs will be assessed after the first 10 copies (pages) at a rate of \$.10 per copy (page).

Student Driving Policy

All juniors and seniors who wish to drive to school space providing must follow the Student Driving Policy, register their vehicles with the school, and receive a parking tag with an assigned number parking space. Juniors and seniors are allowed to drive to school as a matter of privilege, not of right. A student who is in violation of the driving policy may lose his/her parking privileges and have his/her vehicle towed at the owner's expense.

The following is the NBH Student Driving Policy:

Students must

- ❖ Juniors and seniors only
- ❖ If spots are available, sophomores must meet the "Eligibility Rules" for extra-curricular, non-credit activities and sports.

Each vehicle that a student drives to school must be registered and re-registered each year.

- ❖ Forms are available in the main office and online.
- ❖ Student must provide a copy of their driver's license, insurance card, and registration.

All State Vehicle and Traffic Laws must be obeyed at all times

- ❖ Violations of any law may result in Law Enforcement action and/or a school sanction.

All students who drive to school must have the official driving tag prominently displayed from the rear view mirror and be parked in their assigned parking space.

Students may lose their driving privileges if they:

- ❖ are academically ineligible for a given grading period;
- ❖ has any major discipline actions;
- ❖ park in areas other than their assigned spot in the stadium parking lot;
- ❖ drive in a dangerous or reckless manner;
- ❖ are truant, exceed five (5) unexcused tardies to school or cuts a class/lunch;
- ❖ transport students off school grounds during the day;
- ❖ leave school grounds during the day without authorized permission;
- ❖ loiter in the parking lot during the day;
- ❖ give their car keys to another student to leave campus;
- ❖ drive to school without their proper parking tag.

North Bay Haven retains authority to conduct routine patrols of the student parking lot and to inspect the exteriors of student automobiles on school property.

- ❖ The interiors of student vehicles may be inspected whenever a school authority has "*reasonable suspicion*" to believe that illegal or unauthorized materials are contained inside.
 - ❖ Such patrols and inspections may be conducted without notice, without a student's consent, and without a search warrant.
- Students who do not return their driving tag at the end of the school year will be not be issued a driving tag for the next school year unless a fee of \$15.00 for deficiency is paid.

FIELD TRIPS:

As a learning experience, teachers may plan field trips. Parents may be asked to assist the teacher as a chaperone. Parents serving in this capacity may not have other children accompany them. Parents who are officially selected to be chaperones may count their hours on the field trip as volunteer hours. The Guidelines for Chaperones form must be signed prior to any parent chaperoning a field trip. Parent chaperones are required to adhere to these guidelines.

Participating in field trips is a privilege. Students serve as representatives of the school; therefore, they may be excluded from participation in any field trip due to behavioral/conduct concerns or as outlined in Florida State Statutes 1003.31-1003.33. Any school suspension may negate attending a field trip.

Parent permission must be given for students to participate in field trips. The teacher will send permission slips and information about each field trip 2-4 weeks prior to each field trip. Money and permission slips must be turned in, according to the teacher's instructions, prior to the field trip or the student will not be permitted to take part in the field trip. The students must wear the buccaneer blue uniform shirt on all field trips unless advised otherwise by the teacher. THE SCHOOL UNIFORM POLICY DOES NOT CHANGE FOR FIELD TRIPS.

Two items are important for field trips. Field Trip Authorization forms must be filled out completely and signed and returned by the preset (established) deadline for each field trip. The Authorization for Medical Treatment form is required to be filled out completely and notarized for out of county field trips. This will be completed once at the beginning of each year.

Once fees are paid for a field trip the fees are non-refundable. Field trip costs are pre-determined based upon a certain number of participants who will share the total expense. The only consideration for a refund would be based upon a verifiable death in the family or an injury to the student that precludes them from field trip participation. Most fees are pre-paid and thus non-refundable.

A field trip is the classroom regardless of location and the teacher is in charge.

No siblings shall attend a field trip with a parent or parent chaperone. This is a classroom control and liability issue. Cellular phones may be brought on field trips by students; use of cell phones by students is limited to times when the students are in a theme park, on the bus or in the hotel or as otherwise allowed by the administration. Chaperones may bring cell phones for personal use when not on duty for student contact/supervision.

Children may not be checked out of any off-campus field trip without prior written approval from the administration. This is not recommended due to teacher responsibility, instruction, confusion and liability.

FIELD TRIP ACCOUNTS

Field Trip Accounts for high school are set up differently than K-8. There are class accounts in 9-12 that are used for various grade level activities or trips (i.e. the freshman trip to Atlanta and or prom). Individual accounts are used for clubs and teams.

General grade level account

North Bay Haven has set up fundraisers through which the money earned goes directly into the grade level/ club level field trip accounts. The money earned cannot be applied to a specific student but will go into the general grade level field trip account. When the school negotiates the final trip cost the fund will be used to reduce the cost thus saving the families money. These accounts move with the grade level each year. All money earned through grade level fundraisers, etc...go into this account.

Individual student account

Students at NBH HS do not have individual grade level accounts. However, various clubs and teams have individual accounts in which each child can deposit money into. Individual fundraising, in which the student is using the Bay Haven Inc. name is not allowed. Refunds are not guaranteed depending on the field trip policy.

All field trips are exceptional and our goal as a school is to have all students attend these field trips. The key to accomplishing this goal is fundraising to reduce the cost and implementing a program of a scheduled payment plan.

Contact the bookkeeper at North Bay Haven regarding the individual student accounts. She may be reached at 248-0801.

GRADING SCALE:

GRIEVANCE PROCEDURE:

If a student or his/her parents feel they have a grievance or complaint, they should do the following:

1. Carefully analyze the problem – be sure you have ALL the FACTS.
2. Ascertain that you have a rational attitude about the problem.
3. Seek to resolve the problem with the teacher, if applicable.

If there is no solution, schedule a meeting with the School Administration. Always start with the teacher.

HONOR ROLL REQUIREMENTS:

High School Grades

Highest Academic Honors – Maintaining a 4.0 or above GPA for the school year

High Academic Honors – Maintaining a 3.5 or above GPA for the school year

Honors – Maintaining a 3.0 or above GPA for the school year

INSTRUCTIONAL BOOKS, EQUIPMENT, MATERIALS AND SUPPLIES:

Students need to realize that books, technology equipment and materials are expensive and that they should be cared for properly. Students are required to cover all books that are issued to them. A brown grocery bag makes an excellent book cover. At the beginning of the school year some businesses offer free book covers to students. Students should print their names and room number on the front of each book cover. Books must not be written in or on. Charges will be made for damaged or lost books, laptops/iPads, and/or materials based upon replacement costs. Students must learn to be responsible for the care of personal and school materials.

Students will be expected to provide all basic supplies such as paper, pencils, rulers, scissors, markers, etc. Any additional supply needs will be requested in writing by the classroom teacher. Please help your child come prepared for school by packing his/her homework and supplies in the evening to avoid the last minute morning rush. Ultimately, it is the student’s responsibility to check and to be sure that everything needed for the next day has been packed.

A supply list for each grade level is posted on the school’s website. A materials fee has been established for supplies needed by each classroom.

NBH HS is a 1:1 technology school. Therefore each student must have his/her own I-pad or Chromebook touch (see website for details on the exact model number).

LOCKERS

Lockers are a privilege and not a right. Middle/High school students may rent lockers. The cost is \$5.00 for individuals or \$3.00 per student for those sharing lockers. Priority will be given to those sharing lockers. The locks and lockers are North Bay Haven property and subject to search and inspection. Students may use magnets to affix items to the inside of the locker. NO DRY ERASE OR PERMANENT MARKERS, TAPE, PAINTS ETC., may be used to cause damage of any type to the locker. There will be a \$10 minimum charge for damage to the locker. Students will be charged for any damage to lockers as determined by the administration. No illegal substances, weapons, pagers or other articles identified as against school policy shall be kept in lockers. Lockers will be inspected every nine weeks.

LOST AND FOUND:

Throughout the school year, items which have been lost are turned in to the school office. Many problems would be solved if clothing and personal belongings were labeled with the student's name. Anytime a student loses an item and it is found, he/she may come to the office to inquire or claim it. There are many items lost and never claimed each year. These items are donated on a regular basis to various charitable institutions. THEREFORE, PLEASE HAVE YOUR CHILD'S FIRST AND LAST NAME ON ALL PERSONAL PROPERTY SUCH AS: LUNCH BOXES, SWEATERS, RAINCOATS, ETC.

MEDICATION:

The administering or dispensing of any medicines (including non-prescription medication) to students by employees of North Bay Haven Charter Academy without specific written authorization by the parents and physician of the student is forbidden. If it is absolutely necessary that the child take any medication while he/she is in school, the parent must sign an authorization form and have the form completed by their physician. Please obtain this form in the school office. The medication will be kept in the office and will be administered by office personnel. A parent may also choose to come to school and administer medication.

PARENT TEACHER STUDENT PARTNERSHIP (PTSP):

A great portion of each child's day is spent at school; therefore, his/her growth and development become a joint responsibility between the home and school. Everyone is urged to become active in helping further the goals and growth of the PTSP.

The faculty, staff and administration hope that all parents will become active members supporting the school and the association. Officers will be elected yearly according to the school's by-laws and district/state guidelines.

The PTSP will sponsor fundraisers throughout the school year. Monies generated by fundraising events will be used to purchase materials and equipment for the students, faculty, staff and general school purposes.

PTSP board meetings are held regularly and are open to anyone who wishes to attend. All members are eligible to vote on issues brought before them for consideration during the general PTSP meetings.

PARENT VOLUNTEER HOURS AND RULES:

In order to maintain harmony and a positive atmosphere, all volunteers must abide by the following rule: Under no circumstances may any volunteer contact other parents or individuals for non-supportive, negative or derogatory communication. If there is a concern, it must be addressed with the teacher(s) first at the appropriate time. If not satisfied after this communication the parent shall contact the principal. Failure to follow these procedures can constitute loss of privilege to volunteer in classes. Parents have many opportunities to volunteer their time both at school and at home. Volunteer sign-ups will be available at the Open House before school starts and during Back to School Night in late September. Other opportunities are announced throughout the school year. **Parents are required to log the volunteer hours via computer.** These hours are recorded monthly so be sure to log in the month that you worked the hours.

Parents are required to volunteer **20** hours per family per year or prorated to two hours a month if their children are accepted after school has begun. We appreciate the additional hours beyond the required 20 that many of you will contribute. This helps the school, your child and all children at North Bay Haven.

Section 1002.33(10)(e)5.,F.S., states that a "charter school may limit the enrollment process only to target the following student populations: ...students who meet reasonable academic, artistic, or other eligibility standards established by the charter school and included in the charter school application and charter or, in the case of existing charter schools, standards that are consistent with the school's mission and purpose."

Consequently, if a new charter school includes the parent volunteer requirement in its application and charter, or if the requirement is consistent with the mission and purpose in an existing charter school, the parent volunteer contract is enforceable under Florida law. Failure of a parent or parents to uphold or fulfill their responsibilities under that contract would be sufficient grounds for that charter school to deny admission to the child the following year.

- Restaurant night (1 hr. per family per night)
- SAC committee duties

PEDICULOSIS: (HEAD LICE)

Students will be checked periodically for head lice. Students will be sent home if school personnel suspect lice in his/her hair. All parents will be notified in the event of a case of head lice.

The students MAY NOT return to school until treatment has been administered and all nits have been removed from the hair. Upon returning to school, the student will be checked to determine if any nits are still present before admission to class.

To prevent an outbreak of head lice, parents are asked to examine the hair of their children weekly, and shampoo frequently.

Frequent incidence of Pediculosis may be referred to Child and Family Services.

PROFESSIONAL POSITIVE INTERACTION PROGRAM:

The strength of North Bay Haven is found in several core values. Parental involvement, a quality atmosphere in which to learn, higher expectations for individual student

performance, individualized approaches for each student's learning experience and uniforms that express pride, safety and cleanliness.

Bay Haven Charter Academy, Inc has grown exponentially the past several years. The charter required the growth and that very growth created the possibility for this school. The majority of our clientele have a work ethic, they live through actions and not just words, their personal responsibility and accountability and desire to put forth the necessary effort to be successful. Some do not! The "do not" crowd takes more time, effort, and program to maintain the qualities we all desire.

High school students will have a character program built around Respect, Personal Accountability and Responsibility, A Servant's Heart and Quality on-time on-task performance.

An integral part of North Bay Haven's positive environment is character education. This is true for students, administrators, faculty, staff, parents and their families. This is a new school with a future to build.

The expectation to which we shall all adhere is that a servant's heart will best meet the academic, social and emotional needs of the children. It is important that we all realize that argument, gossip, sarcasm and selfishness are destructive forces. Time spent on these social ills detract from our mission of educating students. Working together in harmony will be our strength.

If anyone perceives or experiences a problem with a faculty member, parent, staff member, volunteer, community member or student, it is a necessary part of the communication process to bring the matter to the principal. Likewise, concerns over issues of curriculum, instruction, facilities or established programs need to be brought to the principal.

Each student's enrollment at North Bay Haven Charter Academy is a privilege. Acting respectfully toward each other is an excellent model for character development. We encourage and appreciate this support.

PUPIL PROGRESSION:

North Bay Haven Charter Academy will follow the Bay County School's Pupil Progression requirements and procedures for 9-12 students.

RIGHT OF STUDENT DISMISSAL (BHCA, INC BOARD POLICY)

FS 228.056 10(a) 7 identifies the charter school's authority to develop and implement admission procedures and dismissal procedures. The charter contract between Bay District Schools and Bay Haven Charter Academy, Inc. affords the charter school the right of dismissal.

Per Bay Haven Charter Academy, INC. Board policy, students eligible for dismissal are those who meet the established thresholds for three or more of the following criteria:

Student dismissals will be reviewed at the end of each semester. However, in the case of extreme non-compliance, dismissal can be made anytime during the school year once dismissal criteria have been met and no significant improvements have been made.

In the event a student is recommended for dismissal by the Principal of the affected school to the Chief Educational Officer, the CEO will then review for compliance of due process and forward the recommendation to the Bay Haven Charter Academy INC., Board of Directors for consideration and official dismissal.

If the Board approves the dismissal, the parent or guardian has the right to appeal the dismissal to the Principal of the affected school within 5 business days. If the appeal is not granted, the student will be withdrawn at the close of the 5th business day.

STUDENT ENROLLMENT PROCESS

Students at North Bay Haven Charter Academy are not selectively chosen by the school to attend the charter school. It is important to clarify the fact that North Bay Haven follows a process of student enrollment established by the FLDOE, submits to verification of the lottery process and lottery results by an independent certified auditor and has a computerized public record of student selection for all class and grade level offerings.

North Bay Haven currently serves ESE students who are on a standard diploma path, including gifted. Apart from this, any student in Bay County may apply to attend the charter school and depending on available space will be eligible to attend regardless of academic proficiency.

Process:

1. First day of each school year "Open Enrollment" via on-line application begins for the subsequent school year.
2. For grades 9-12 it is by Jan 31st.
3. A public lottery is held in February for grades 9-12 applicants.
4. A lottery is held in order to develop a wait list for the upcoming year. Space is determined, prior to the lottery, after the current clientele inform the school of their intent to recommit for the upcoming year.
5. Student names for each grade level are in a lottery certified by Carr Riggs and Associates. This lottery fills in open spaces for the maximum number of student slots available and then determines the wait list for those students hopeful of being offered a space.
6. The certified list is then placed on the SIS Student Information System and students are offered space in the order in which they were drawn in lottery. Siblings of existing students and children of employees and board members can move to the top of the list as per state charter school rules. In addition, for high school selection, 8th grade students from Bay Haven and North Bay Haven have enrollment preference. The parent of each student is contacted, in the order in which their name appears on the computer and offered a space as one becomes

available. They have 24 hours to respond. Each contact is recorded and time and date stamped in the computer.

All students and employees will be treated with respect. Slurs, innuendoes, hostile treatment, violence or other verbal or physical conduct against a student or employee will NOT be tolerated.

3. Early checkouts up to 40 minutes before the end of the day that do not meet the requirements of a doctor's appointment, dental appointment or illness. You MUST bring a slip back from the doctor or dentist verifying the appointment.

Each student is responsible for regular and punctual class attendance. Students must be inside the classroom by the end of the ringing of the tardy bell in order not to be considered tardy. The teacher will determine if a tardy is excused or unexcused in Middle/High School. Students in Middle/High School who are less than 5 minutes late to class shall be given a Tardy and those more than five minutes late to class will be given a Late Absence. Students who leave more than 15 minutes before a class is over will be given a Late Absence. The school office will determine if the period of absence is excused or unexcused. Chronic tardiness and Late Absences will be investigated by a designated school representative. Five tardies in one class will equal 1 unexcused absence.

- Students will be assigned 2 days of after school detention for 4 (four) tardy violations in a 9 week period.
- Students will be assigned one day of Out School Suspension (OSS) for 8 tardy violations in a 9 week period.

For the safety and protection of all students, visitors (including parents) must sign in and out with the office, state whom they are visiting, state the purpose of the visit, and obtain a pass before proceeding to a classroom. This is Florida State Law. Cooperation will enable the school to provide a safe and orderly learning environment for all students.

NBHCA Parent Expectations

I understand that NBHCA is an academically challenging school. Parents of students at NBHCA agree to:

- Value attendance and have your child at school on time every day
- Understand that your child will have homework, will have to study and prepare for tests, will have occasional projects that are not optional (such as History Fair / Science Fair), will not be allowed to retake tests, and that when a child struggles there are avenues to assist, such as the construction of a PLP (Personalized Learning Plan) between the parent-child-teacher. This responsibility is shared between all three (teacher-student and parent) and does not solely fall on the responsibility of the classroom teacher.
- Always support the teacher and school decisions
- Help maintain the positive school culture by never complaining (especially on social media)- rather, work with the teacher and admin to resolve a problem or issue.
- Communicate with my child's teacher when a question or concern arises before going to administration
- Fulfill my 20 hours of volunteer hours at a minimum with the understanding that we "want" parents at our school!
- Assist in teaching the 25 Student Expectations
- Stay aware of what is going on by reading weekly e-blasts, classroom newsletters, student planners, and by looking at the school calendar and webpage frequently, sign up for the school "Remind" App (and for some of you follow the NBHCA Facebook page).
- I understand we have dues at the school and I must pay them
- Understand that we are a uniform school and that if my child does not have on his/her uniform I will be called to bring a change of clothing for my child.
- I know NBH HS is a 1 to 1 technology school- therefore it is my responsibility to provide my child a Chromebook touch (see school website for details).
